Schedule and Program

Friday, May 26, 2017

Departure in the morning from Hanover – we are going to visit a carpentry or a joining line.

We are driving to Koblenz in the afternoon and we will stay in the Contel Hotel www.contel-koblenz.de

Saturday, May 27, 2017

Sightseeing Tour in Koblenz www.koblenz-tourism.com

We will visit the “German Corner” ([Deutsches Eck](#)), a world-famous place where “Father Rhine” and “Mother Moselle” meet.

A visit of the fortress [Ehrenbreitstein](#) will also be part of the tour. It's known under the headline “Cultural delights with vision!”

In the afternoon, we have the chance to go down into the world's deepest beer cellar, belonging to the [Vulkanbrauerei](#) in Mendig

Sunday, May 28, 2017

Cruising the river Rhine for a 1 hour tour will start our day. Setting sail in Koblenz we will enjoy the scenic view.

A trip to the [Burg Eltz](#) in Wierschem

will give some insights before we are driving to Bingen in the afternoon, where we will stay overnight in the NH-Hotel

Montag, May 29, 2017

Finally the Germans are working again after the weekend! We are traveling to Simmern, where we will have an interesting factory tour at the company DFH - Deutsche Fertighaus Holding AG.

DFH is Germany's largest producer of prefabricated buildings. The annual output is roughly 2,900 residential homes and duplexes. www.dfhag.de

On the same day we will travel to Oberrot-Scheuerhalden to get a tour at the company Fertighaus Weiss GmbH.

For more than 135 years Fertighaus Weiss is building and manufacturing homes using innovative solutions in timber construction.

In the afternoon, we are driving to Münsingen to stay overnight at the Hotel Hermann www.hotelherrmann.de

Tuesday, May 30, 2017

In St. Johann we have the chance to see how the machines at Weinmann Holzbausystemtechnik are designed and build.

Weinmann offers the complete range of timber manufacturing machinery: Everything from beam processing to timber framing and from manual to complete automated solutions.

We will hit the road again and go to Bavaria: In Ottobeuren we'll visit the [Basilika](#) and we will get up high: an insight tour into the roof to see the construction is part of the program.

From there it's not far to Wildpoldsried, home of the SEMA headquarters.

SEMA is the world leading software provider for timber construction, stair design and sheet metal work.

www.sema-soft.ca

Then we are driving to [Walder Käskuche](#) to see their cheese factory and brewery. We will stay there for dinner. Afterwards we will travel back to Wildpoldsried to stay overnight in the hotel [Kultiviert](#)

Wednesday, May 31, 2017

In the morning we are driving to Seebruck at the Chiemsee and we will have the opportunity to visit the company Regnauer Hausbau GmbH & Co.KG

Regnauer is a big and innovative producer of commercial and residential prefabricated buildings. Sustainability and the concept of "Green Building" are very important for Regnauer. www.regnauer.de/

The bus brings us to Munich after that, where our tour will officially end in the afternoon.

Please note that the program might be subject to change.
